## RISK FACTORS

### I. RISKS RELATING TO THE UNDERLYING TRANSACTION AND OPEN OFFER

- This Open Offer is made under the SEBI (SAST) Regulations, 2011 to acquire up to 3,29,14,271 (Three Crore Twenty Nine Lakh Fourteen Thousand Two Hundred and Seventy One) Equity Shares representing 26% (Twenty Six per cent) of the Total Voting Share Capital of the Target Company from the Public shareholders.
- In accordance with the SPA (as defined below), the acquisition of the Sale Shares (as defined below) shall be completed upon the fulfillment of conditions agreed between the Acquirers and the Sellers. In terms of Regulation 23 of the SEBI (SAST) Regulations, 2011, in the event that the approvals specified in paragraph VIII (B) (Statutory and Other Approvals) of this DLOF or those which become applicable prior to completion of the Open Offer are not received, for reasons outside the reasonable control of the Acquirer, then the Acquirer shall have the right to withdraw the Open Offer. The following conditions under which the Acquirers can withdraw the Open Offer, as provided in Regulation 23(1) of the SEBI (SAST) Regulations, 2011 are:
  - (i) statutory approvals required for the open offer or for effecting the acquisitions attracting the obligation to make an open offer under these regulations having been finally refused, subject to such requirements for approval having been specifically disclosed in the detailed public statement and the letter of offer;
  - (ii) the Acquirer(s), being a natural person, has died;
  - (iii) any condition stipulated in the agreement for acquisition attracting the obligation to make the open offer is not met for reasons outside the reasonable control of the acquirer, and such agreement is rescinded, subject to such conditions having been specifically disclosed in the detailed public statement and the letter of offer, provided that an acquirer shall not withdraw an open offer pursuant to a public announcement made under clause (g) of sub-regulation (2) of regulation 13, even if the proposed acquisition through the preferential issue is not successful.; or
  - (iv) such circumstances as in the opinion of the Board, merit withdrawal.

In the event of such a withdrawal of the Open Offer, a public announcement will be made within 2 (two) Working Days of such withdrawal, in the same newspapers in which this DPS has been published and such public announcement will also be sent to BSE, NSE, SEBI and the Target Company at its registered office.

- In case Equity Shares tendered by the Public Shareholders under this Open Offer is more than the Offer Size, acceptance would be determined on a proportionate basis, subject to acquisition of a maximum of 3,29,14,271 (Three Crore Twenty Nine Lakh Fourteen Thousand Two Hundred and Seventy One) Equity Shares and hence there is no certainty that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted. The unaccepted Equity Shares will be returned to the Public Shareholders in accordance with the schedule of activities for the Open Offer.
- As of the date of this Draft Letter of Offer, there are no statutory or other approvals required by the Acquirers to complete the Underlying Transaction and this Open Offer, other than as mentioned in Paragraph VIII (B) (Statutory and Other Approvals) of this DLOF. If there is a delay in receipt of any applicable statutory or other approvals, then the Open Offer process may be delayed beyond the dates indicated in the tentative schedule of major activities of the Open Offer disclosed in this DLOF (on page number 2). In case Equity Shares are tendered in the Open Offer and a delay is caused due to delay in receipt of any applicable statutory or other approvals, the payment of consideration to Public Shareholders whose Equity Shares have been accepted under the Open Offer as well as return of Equity Shares not accepted by the Acquirers may be delayed.
- Where the statutory or regulatory approvals extend to some but not all the public shareholders, the Acquirers shall have the option to make payment of the consideration to such public shareholders in respect of whom no statutory or regulatory approvals are required in order to complete this Offer in respect of such public shareholders. Further, if any delay occurs on account of wilful default by the Acquirers in obtaining the requisite approvals, regulation 17(9) of the SEBI (SAST) Regulations, 2011 will also become applicable and the amount lying in the Escrow Account shall become liable for forfeiture.
- In case of delay/non-receipt of any statutory or other approvals referred to in Paragraph VIII (B) (Statutory and Other Approvals) of this DLOF, SEBI may, if satisfied that non-receipt of the requisite approval(s) was not attributable to any willful default, failure or neglect on the part of the

Acquirers to diligently pursue such approval(s), grant an extension of time for the purpose of completion of this Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest by the Acquirers to the Public Shareholders at such rate, as may be prescribed by SEBI from time to time, in accordance with Regulation 18(11) or Regulation 18(11A) of the SEBI (SAST) Regulations, 2011.

- The Acquirers will not proceed with the Open Offer, in terms of Regulation 23 of SEBI (SAST) Regulations, 2011, in the event statutory or other approvals in relation to the acquisition of the Offer Shares (as mentioned in Paragraph VIII (B) (Statutory and Other Approvals) of this DLOF) are finally refused for reasons outside the reasonable control of the Acquirers. In the event of such a withdrawal of the Open Offer, the Acquirers (through the Manager to the Offer) shall make an announcement of such withdrawal within 2 Working Days of such withdrawal stating the grounds and reasons for the withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations, 2011.
- Equity Shares once tendered in the Open Offer cannot be withdrawn by the Public Shareholders, even in the event of a delay in the acceptance of Equity Shares under the Open Offer and/or the payment of consideration. A lien shall be marked against the Equity Shares tendered in the Offer by the Public Shareholders until the completion of the formalities of this Offer and the Public Shareholders who have tendered their Equity Shares will not be able to trade in such Equity Shares during such period, even if the acceptance of the Equity Shares in this Offer and/ or payment of consideration are delayed. Neither the Acquirers nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares and disclaim any responsibility with respect to any decision by any Public Shareholder on whether or not to participate in the Offer. - All Shareholders (including resident or non-resident shareholders) must obtain all requisite approvals/consents required, if any, to tender the Offer Shares (including without limitation, the approval from the RBI held by them), in the Offer and submit such approvals, along with the other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirers reserves the right to reject such Equity Shares tendered in this Offer. Further, if the holders of the Equity Shares who are not persons resident in India (including erstwhile overseas corporate bodies, foreign institutional investors /foreign portfolio investors and non-resident Indians) had required any approvals (including from the RBI, or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for holding the Equity Shares, to tender the Offer Shares held by them, along with the other documents required to be tendered to accept this Offer. ## **GENERAL**

- a) As the tendering of Equity Shares is being undertaken on the stock exchange, such transaction will be chargeable to STT. STT is payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian stock exchange. Currently, the STT rate applicable on the purchase and sale of shares on the stock exchange is 0.1% of the value of security transacted.
- b) The basis of charge of Indian Income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act.
- c) A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which is received or deemed to be received or accrues or arises or deemed to accrue or arise in India). In case of shares of a company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.
- d) Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
- e) Further, the non-resident shareholder can avail beneficial treatment under the Double Taxation Avoidance Agreement ("DTAA") between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the MLI as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non-applicability of GAAR and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- f) The IT Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
- g) The shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income tax authorities, reporting their income for the relevant year.
- h) The summary of income-tax implications on tendering of listed Equity Shares on the recognised stock exchange in India is set out in the succeeding paras. All references to Equity Shares herein refer to listed Equity Shares unless stated otherwise.

- b) Shares held as stock-in-trade (Income from transfer of such shares taxable under the head “Profits and Gains from Business or Profession”). As per the current provisions of the IT Act, unless specifically exempted, gains arising from the transfer of shares may be treated either as “Capital Gains” or as “Business Income” for income-tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Shareholders may also refer to Circular No.6/2016 dated February 29, 2016 issued by the Central Board of Direct Taxes (CBDT) in this regard.

**Shares held as investment:** As per the provisions of the IT Act, where the shares are held as investments (i.e., capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”.

Further, Section 2(14) of the IT Act has provided for deemed characterization of securities held by FPIs as capital assets, whether or not such assets have been held as a capital asset; and therefore, the gains arising in the hands of FPIs will be taxable in India as capital gains.

Capital gains in the hands of shareholders would be computed as per provisions of section 48 of the IT Act and the rate of income-tax would depend on the period of holding.

**Period of holding:** Depending on the period for which the shares are held, the gains would be taxable as “short-term capital gain/STCG” or “long-term capital gain/LTCG”:

- a) In respect of Equity Shares held for a period less than or equal to 12 months prior to the date of transfer, the same should be treated as a “short-term capital asset”, and accordingly the gains arising therefrom should be taxable as “short term capital gains” (“**STCG**”).

ii. In the case of FIIs/FPIs, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) in accordance with provisions of section 115AD of the IT Act (without benefit of indexation and foreign exchange fluctuation).

iii. For a NRI who is governed by the provisions of Chapter XII-A of the IT Act, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) under Section 115E of the IT Act on meeting certain conditions. While computing the LTCG, the benefit of indexation of cost shall not be available.

iv. For a resident Public Shareholder, an option is available to pay tax on such LTCG at either 20% (plus applicable surcharge and cess) with indexation or 10% (plus applicable surcharge and health and education cess) without indexation. Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is to be considered while computing the income-tax on such LTCG.

v. Long term capital loss computed for a given year is allowed to be set-off only against LTCG computed for the said year, in terms of Section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off only against subsequent years' LTCG, in terms of Section 74 of the IT Act.

e) As per the current provisions of the IT Act, STCG arising from such transaction, which is subject to STT, would be subject to tax @ 15% under section 111A of the IT Act. Further, no deduction under Chapter VI-A would be allowed in computing STCG subject to tax under Section 111A of the IT Act.

For this purpose, an "Investment Fund" means a fund registered as Category I or Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternate Investment Fund) Regulations, 2012.

## **Mutual Funds**

In case of non-corporate shareholders, applicability of the provisions of Alternative Minimum Tax as per Section 115JC of the IT Act will also need to be analyzed depending on the facts of each case.

### **Tax Deduction at Source**

a) Resident Shareholders: In absence of any specific provision under the IT Act, the Acquirer is not required to deduct tax on the consideration payable to the shareholders pursuant to Tendering of the listed Equity Shares under the Offer on recognized stock exchange in India.

b) Non-Resident Shareholders:

i. In case of FIIs: Section 196D of the IT Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FIIs. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs, subject to fulfilment of the following conditions:

## ii. In case of non-resident tax payer (other than FIIs):

- FIIs/FPIs furnishing the copy of the registration certificate issued by SEBI (including for subaccount of FII/FPI, if any);
- FIIs/FPIs declaring that they have invested in the Equity Shares in accordance with the applicable SEBI regulations and will be liable to pay tax on their income as per the provisions of the IT Act.
- If the above conditions are not satisfied, FIIs/FPIs may submit a valid and effective certificate for deduction of tax at a nil/lower rate issued by the income tax authorities under the IT Act (“TDC”), along with the Form of Acceptance-cum-Acknowledgement, indicating the amount of tax to be deducted by the Acquirer before remitting the consideration. The Acquirer shall deduct tax in accordance with such TDC.

## In case of non-resident tax payer (other than FIIs):

Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax is required to deduct tax at source (including applicable surcharge and cess). Subject to regulations in this regard, wherever applicable and it is required to do so, tax at source (including applicable surcharge and cess) shall be deducted at appropriate rates as per the IT Act read with the provisions of the relevant DTAA and MLI, if applicable. In doing this, the Acquirer will be guided by generally followed practices and make use of data available in its records except in cases where the non-resident shareholders provide a specific mandate in this regard.

However, the Acquirer will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirer to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirer to the non-resident shareholders.

Since the tendering of the Equity Shares under the Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is primarily on the non-resident shareholder given that practically it is very difficult to withhold taxes. The Acquirer believes that the responsibility of withholding/ discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the non-resident shareholders. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India in consultation with their custodians, authorized dealers and/or tax advisors, as appropriate. The non-resident shareholders must file their tax return in India inter-alia considering gains arising pursuant to this Offer in consultation with their tax advisors.

In the event the Acquirer is held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer is entitled to be indemnified. The non-resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

## Remittance/Payment of Interest:

a) In case of interest, if any, paid by the Acquirer to resident and non-resident shareholder for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST) Regulations, 2011 or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, 2011, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirer depending on the settlement mechanism for such interest payments. In the event, the Acquirer decides to withhold tax, the same shall be basis the documents submitted along with the form of acceptance or such additional documents as may be called for by the Acquirer. It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorisation of the interest, whether as capital gains or as other income). In the event the Acquirer is held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer should be indemnified.

b) The shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer. The shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.
